PERFORMANCE

Pro-Scrub Hand Cleaner

Every shop, plant or other work environment needs an effective hand cleaner. The problem is most of the popular hand cleaners are solvent-based and can cause skin dryness, irritation, burning of cuts and dermatitis. SWEPCO Pro-Scrub Hand Cleaner is different. It is a detergent based hand cleaner that is ph balanced and includes highly effective skin softener ingredients. And, instead of using pumice or walnut shells that can be abrasive to skin, Pro-Scrub uses special silica micro beads that are soft, pliable and not abrasive to skin.

Easy to use ... wet hands, take a pinch, scrub and rinse.

KEY BENEFITS

- A highly effective detergent based cleaner that contains no solvents to dry, irritate, burn cuts or cause dermatitis
- Soft silica micro beads clean without being abrasive like pumice or walnut shells
- Includes skin softeners, soothers and moisturizing ingredients
- Effective on grease, oil, soot, carbon black, paint, ink and many other tough cleaning challenges
- Rinses clean with a pleasant fragrance and no sticky film
- Won't clog drains or traps
- Won't turn to liquid in hot storage; five year shelf life
- Concentrated ... one 64-ounce tub provides 750 hand cleanings
- Comes in:
 - Case of six 64-ounce (1.9 liter) tubs
 - Case of four 1-gallon (3.78 liter) jugs with pump
 - Case of twelve 16-ounce (0.473 liter) squeeze bottles
 - 4-gallon (15 liter) bucket
 - Stainless steel or plastic dispensers available

A Product of SPX Technology™.

... the cutting edge performance SWEPCO Customers have come to expect.
